

2021 Healthy Kids Colorado Survey: Middle School

This survey is about health behavior. It has been developed so you can tell us what you do that may affect your health. The information you give will be used to improve health education for young people like yourself.

The answers you give will be kept private. No one will know what you answer. Answer the questions based on what you really do. Completing the survey is voluntary. Whether or not you answer the questions will not affect your grade in this class. If you are not comfortable answering a question, just leave it blank.

The questions that ask about your background will be used only to describe the students completing this survey.

Make sure to read every question. When you are finished, follow the instructions of the person giving you the survey. Thank you.
