Use page 2 for a feedback guide.

Use page 3 to document the feedback you receive.

Discuss/share the following:

- Helpful resources, including resources used to write action steps or resources you will use for implementation
- How you applied the WSCC model (what specific activities, actions, person(s), or organization(s) did you include in your SHIP because of the WSCC model)
- What quantitative and qualitative data is being collected to measure your objective
- Where you are stuck or need help
- A WSCC component you need help incorporating into your SHIP to ensure your SHIP is comprehensive
- Who/How you plan to share your final SHIP

SHIP Feedback Guide

Pick one part of your SHIP to request and receive feedback (e.g. SMART Objective, Data Collection, or Action Steps). Your peers should use the corresponding part of this Feedback Guide to provide you feedback. Document the feedback you receive on Page 3.

SMART Objective

Specific - who is your target population?

Measurable - what are you tracking to show progress and success?

Attainable - do you have tools and resources?

Relevant - does it align with your school/district priorities?

Time-phased - is there a deadline?

Data Collection

Is qualitative and quantitative data included as part of your:

	YES	NO	NOT SURE
• Baseline data collection	✓	✗	?
• Progress	✓	✗	?
• Summative data collection	✓	✗	?

Action Steps

- Are your action steps in chronological order?
- Are your action steps assigned to a variety of people?
- Are your action steps detailed?
- What components of the WSCC model are incorporated into your plan?
